COLUMBUS NOTES

L. M. Carl was out from El Paso a
few days. He returned last Tues-
day.

The officers of the 13th cavalry
gave an informal hop at the Bank
hall last Saturday evening to the citi-
zens of Columbus.

Earl Moore and B. W. Byam left
Wednesday for the harvest fields of
Oklahoma and Kansas, where they
will find employment for a few weeks
assisting in gathering the immense
crops of those states.

T. S. Kerr was out for a few days
last week looking after his real es-
tate holdings at this place. He said
he came out to gather his crop but we
fear he neglected to plant, so his crop
was no trouble to gather.

Not many places can boast of be-
ing a shipping point for water, but
we can here, for the reason that the
railroad company is hauling from this
place each day several carloads of
water. This water is being shipped
to points west of here to supply the
engines at places where the water
supply is not sufficient.

Saturday morning as Tom Davis
was climbing a well rigging the rig-
ging began to fall and threw Mr.
Davis to the ground, a distance of
thirty or more feet and the bones of
the ankles were broken and other in-
juries received and at this time his
condition seems rather serious.

J. S. Anderson accompanied his
wife to Fort Worth, Texas, the first
of the week where she goes to be with
her mother and receive medical aid
in hopes of recovering fully from the
injuries received last winter in a rail-
road wreck. Mr. Anderson will re-
turn in a short time.

Mrs. Lula Fulton got a letter Wed-
nesday announcing the death of her
mother on last Sunday night at Del
Rio, Texas. A telegram was sent im-
mediately, but was held here in the
office and the letter was delivered
first. Mrs. Fulton had recently re-
turned from a visit with her mother,
leaving her in excellent health and
the news of her death was quite a
shock.

FAYWOOD ITEMS

Edwin Dotson of Tyrone is visit-
ing Wayne Whitehill at his ranch
near Faywood.

Mr. and Mrs. Dr. Brown returned
from a pleasant visit with Deming
friends.

Hugh Burr of Deming will visit his
school friend, Herbert Bishop at Old
Town for a few weeks' vacation.

Last Tuesday we had the largest
flood we have had for two years. The
river was full from bank to bank,
everybody's dam was washed out, but
the ditches were all running full.

John DeGrafton Reed, who is the
expert broncho buster in this part
of the country, is rounding up his "re-
moda" of Mexican mustang outlaw
horses which he proposes to ride in
Deming on the Fourth of July.

Mrs. Mayme Williams is expected
here from Deming this week, where
she will visit her cousins, Mrs. Lee
Pratt and Mrs. H. H. Bishop. She
will then visit Mrs. Robert Bell at
Tyrone.

Senator J. H. Upton and wife and
son Philip, motored up to the Mim-
bres ranch Tuesday in their hand-
some new automobile. The senator
declared he liked his new car, but
he would never go back on his horses.

The wild currants are very plenti-
ful this year and everyone is putting
up delicious currant jelly. There will
be tons of wild grapes this year. The
vines are loaded almost to the
ground. Dr. Brun has ripe plums and
Mr. Skidmore will have peaches next
week.
